## Give the Gift of Great RVing This Holiday Season

### **In This Issue**

[Holiday Gift Ideas for RVers](#)

[About the RV Show](#)

The holiday season is upon us, and with it an invasion of sugary treats, toasty toddies, welcoming scents of peppermint, cinnamon and pine and all around good cheer. But best of all, it's the time of year when we get to shower loved ones with the gifts they've been coveting all year.

If you're like me, you haven't even started shopping, and the idea of getting gifts for all the people on your list seems daunting. That's why I decided to sit down and put together a list of the best holiday gifts for RVers. As an RVer myself, I know the value of packing light -- so all these gifts are small, compact, and pretty easy on the pocketbook.

I admit, this task wasn't entirely altruistic. I'm planning on snagging the items on this list for the RVers in my family, too. And if I do say so myself, I think they'll all be happy with what they find under the tree Christmas morning.

If you're part of the 1% of the population who've already finished their holiday shopping, reward yourself for that amazing feat and pick up some of these great goodies for yourself.

Happy Holidays from our RV family to yours. We look forward to seeing you all in the new year.

### **Best Holiday Gifts for Your Favorite RVer**

1) Tickets to the 22nd Annual Manufacturers' RV Show and Sale: You'll find nearly everything on this list at the show, plus much, much more. So if the person on your list likes to shop for themselves, make sure to point them to the show. They won't be disappointed! Get coupons for the show [here](#).

2) Gas card: Whether the road warrior on your list gets from here to there in their luxury land yacht or their Prius towing a tent trailer, they're still going to need to fill up along the way. A little help in the form of a gas card can go a long way.

3) RV cookbook: Part of the fun of RVing is eating a home cooked meal in the comfort of your home on wheels. And in these financially tight times, why shell out the extra cash eating out when you can eat in? Especially if you got a fantastic RV cookbook for Christmas that you're dying to try out. Find great deals on hundreds of RV cookbooks on [Amazon](#).

4) Location, location, location: What good is an RV if you don't know the best places to take it? Elucidate the RVer on your holiday list with a book filled with the best RV and tent campgrounds in the country.

When they're soaking up the sun this summer in Big Basin Redwoods State Park or dipping their line in the Sierra Nevadas' Shaver Lake, they'll be thanking you for being so thoughtful! This [book](#) is a good one.

5) Finding their way: This item is a little pricier, but is hands down one of the best gifts an RVer could ever get. A hand-held GPS is great when driving, hiking, ATVing, or even just walking through one of those massive, labyrinthine campgrounds! With one of [these](#), your favorite RVer will never be lost again.
